

Stereo World

VOLUME 8 NO. 5 NOVEMBER/DECEMBER 1981

THE NATIONAL STEREOSCOPIC ASSOCIATION

NSA Regions

The N.S.A. has been divided into 12 geographic regions with a Regional Director assigned to each to act as the representative in your area. We hope members will work with them to promote the N.S.A., increase membership and establish regular regional meetings. There are no regional divisions for Canada at this time. Once the United States regions have been well established, then we hope to do the same for our Canadian and other non-U.S. members.

Gordon D. Hoffman, *Vice-President for Regional Affairs*
 Box 324

COVER: Probably the one stereo image seen by more people than any other in history, this stereo vision test is a Polaroid 3-D Vectograph of a very real fly on a sugar cube. It was made during a wartime Vectograph training class in the early 1940s and has been widely distributed and used ever since as an almost infallibly dramatic test for the presence of stereo vision. (All Vectographs, Clarence Romrell collection)

Board of Directors

CHAIRMAN Richard Russack
 MEMBERS Paul Wing and T.K. Treadwell

Officers

PRESIDENT T.K. Treadwell
