COVER: The Camp at Crater Lake

In keeping with the theme of this year's NSA Conference and Show, "The West", we chose to feature this view by Oregon photographer Peter Britt on STEREO WORLD'S first "wrap-around" 3-D cover. The view shows how meals were served during Britt's many photographic travels in the wilds of southern Oregon. He had named his wagon, in the background, "The Pain". Several more Britt views are included with Peter Palmquist's article in this issue.
